SPINE MADE EASY

Dear Colleagues,

It is our pleasure to invite you to **Spine Made Easy** in its third edition in Riyadh. In this year, we were inspired by the work of Saudi Spine Society in creativity and promoting excellence in spine practice.

Spine Made Easy 3 designed in an innovative way this year, combining the morning presentations and afternoon group discussions, our goal is to maximize the engagement with the audience. We believe to deliver a valuable information about spine pathologies and various methods of management.

It is our privilege to invite you to join **Spine Made Easy 2019** where you will meet bright speakers to share professional, research, academic and clinical experience as well as professional and personal insights to enrich your experience and knowledge about the spine practice.
